Moundridge, KS 67107

Certified  **WestBred**
Wheat Seed

2023 Wheat Sowing season will soon be here!
We need to plan ahead since seed wheat in the
state of Kansas is in very short supply this year.

Galen 620.386.0937

Carl 620.386.0485

Website- jantzfarms.com

We are fortunate to have a fair supply for our customers, please let us know in plenty of time, so we can reserve your wheat seed for you!

We can also source other varieties if you let us know in time. We custom treat with Fungicides, Insecticide, Root Growth Stimulator, etc. Bring your own seed & we'll treat it for you.

We offer 24 hr service Mon-Sat. We have several seed tenders available. Give us a call, we'll do our best to provide your wheat seed!

Galen Jantz, Carl Jantz, Jantz Farms LLC

WB 4401- Good scab tolerance, acid soil tolerant, can break dormancy early, good after corn

WB4422- Hi yielding, good test weight and protein, drought tolerant, good on WSM, not so good on FHB, good after soybeans and wheat

WB4699- Good scab tolerance, Hi tillering, keep off of low PH soil, good after corn and soybeans

Monument- Acid soil tolerant, good drought tolerance, very good after soybeans

Big Foot- Acid soil tolerant, excellent drought tolerance, above average protein, fair on FHB, good yielding, good after soybeans

Ever Rock- Good scab tolerance, acid soil tolerant, Hi tillering, good after corn

Wolverine- Good late planting wheat or after soybeans, poor on low pH soil, good test weight, very good yielding, poor on FHB

Double Stop- Acid soil and drought tolerance, a Clearfield variety that can be sprayed with Beyond herbicide to control cheatgrasses and jointed goatgrass

Atomic- Acid soil and drought tolerant, excellent straw strength, good scab tolerance, good after corn, CoAxiom variety that can be sprayed with Agressor herbicide

Prolific- Good scab tolerance, acid soil tolerant, extremely hi tillering, good after corn

Rock Star- Acid soil and drought tolerant, good scab tolerance, excellent yielding, good after corn and soybeans

Wheat Behind Corn- Rock Star, Atomic, Ever Rock, 4699, 4401

A Good Blend- 4401/Rock Star/Ever Rock
